Girls Love  
Story  
Ajiichi  
2012

Oh  
crap.

She's  
my  
type.

Ex?  
This time it's a female teacher?

She's totally my type!!

She's amazing!!

She's also the school nurse!! It's kinda erotic!!  
You picked someone older than you.

But but!!

Wait, what have you been doing for three years?

To think such a woman was at that school...!!

That's fine.

If that happens, I'll just move on to the next one.

Couldn't she already have a guy?

You'll get rejected again.

I'm gonna  
get you, Kaoru-  
sensei!

Starting  
tomorrow I'm  
going on the  
attack.

eh?

HMPH!!

Now  
then!

I hate  
lying to  
myself more  
than being  
rejected!!

EH? How do  
you know  
that!?

Kaoru? Could that  
teacher's name be  
Fujimura Kaoru??

SFX:  
THRUST

EH? I  
don't know  
anymore  
than that!

What the  
hell, give  
me the  
details!!

!?!?

It was a rumor  
that she used to  
be with a female  
student or  
something...

I heard it  
from my  
friend when  
she was in  
school...

don't  
have any  
friends at  
school.

I

You can  
still ask your  
classmates,  
right?

Th-that's  
right,  
Mikoto!

Won't someone  
at your school  
know about it?

You should  
ask one of  
your friends  
at school!

I don't  
need them.

Well, that  
sounds very  
much like  
Mikoto.

For  
real?

Then  
I'm  
fine by  
myself.

If they'll  
reject you  
just for  
saying you like  
something

As long as I keep my grades up

show off some strength

For now, I'll get by until school is over with.

and especially stay away from anything troublesome.

Even if it's boring

these chains can't hold back my freedom to love.

That's all I need.

This prison is boring.

You seemed to get along really well, so I just assumed...

So that's how it was...

Did it look like that?

The other day... Aah, you mean Chiaki-san?

No, she's just a friend.

Well, we have slept together a few times...

WHAM!!

I started coming to the infirmary two weeks ago.

Little by little we've been opening up to each other.

Now we've started having talks like this.

Slept...!?  
Wha...  
Isechi-san!

Take a seat right now!!

Are you listening? When it comes to that, you should only do it with your lover.

Something like a sex friend is absurd!!

Whoa, she's bright red up to her ears...

So ou4ebb

I'm sitting.

**GASP!!**

but  
I hope that  
you can talk  
about them  
respectfully.

You  
don't have  
to accept  
them phys-  
iologically

...

we'll be  
careful...

I-if  
Kaoru-chan  
says so...

... ..

sst

you're  
good girls.  
Thank  
you

sensei.

Kaoru

like  
that is

...This is  
unreal.

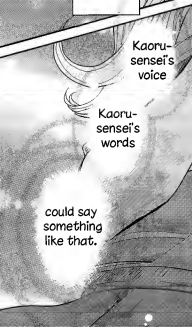

Some-  
thing

"You'll  
get  
rejected  
again."

Even  
though I  
spent all  
this time  
thinking

"I don't  
care" or  
"that can't  
be helped."

Kaoru-  
sensei's  
voice

Kaoru-  
sensei's  
words

could say  
something  
like that.

Oh  
no

the  
tears  
won't  
stop.

I want to see Sensei.

# Infirmary

Good morning, Kacru-sensei!

You're early.

Oh  
Morning, Isachi-san.

Sensei won't push me away.

Yes, please.

Want some coffee?

If it could be this gentle

I would easily drown in it.

I once thought I had no reason to fall in love.

I wonder why?

thump

if I  
tell  
Sensei  
the  
truth

she  
won't  
reject  
me...

thump

"Something like  
a rumor that  
she used to be  
with a female  
student..."

thump

...  
Maybe

just  
maybe

thump

thump

can't give  
you what  
you really  
want.

I most  
certainly

How stupid was I to expect something.

"She's a  
homosexual."

"This  
person is  
different  
from me."

why did  
I think  
something  
would  
happen?

Even if  
there  
might  
have  
been  
some  
hope

"That's  
fine. If  
that  
happens,  
I'll just  
move on  
to the  
next  
one."

"You'll get  
rejected  
again."

...  
Excuse  
me.

These  
feelings  
will dis-  
appear  
soon.

That's  
right, it's  
the same  
as always.

That's how I've done things until now.

Just  
go on  
living.

And I'll  
continue to  
do the  
same.

I'M  
Pine.

I'M  
Pine.

I'M  
Pine.

Goodbye, Kaoru-sensei.
